

# PICKLEBALL PETE PLEADS

## Pick Your Open-Mic Moments on the Courts!

Pickleball is a lot of fun!

There's lots and lots of laughs in every club-level game.

In fact, nearly every other rally ends with a laugh.

Like when the ball dances on the top edge of the net then falls to one side or the other. Always a chuckle.

Or when someone takes a bullet to the gut.

Maybe put forth your comedy gold every three or four rallies.

Give someone else a shot at stardom!
