# “In” or “Out” Always Shout It Out!

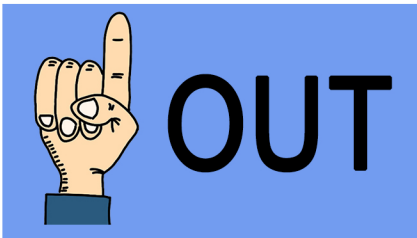

**Out!**

**In!**

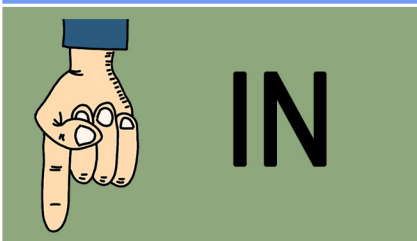

## RULE 6.D.10

“Out” calls should be promptly signaled by voice and may include a hand signal, regardless of how obviously the ball is “out.”

**OUT**

Finger pointing straight upwards, or pointing in the direction of the out-of-bounds ball path.

**IN**

Finger pointing downward towards the court.

No “In” calls should be made while the ball is in play.

Don't use the "Thumbs Up" sign to signal "In."  
(From a distance, it resembles the "Out" signal.)
