

PICKLEBALL PETE SAYS

One of the most frequent bad line calls is when the serve hits the center line.

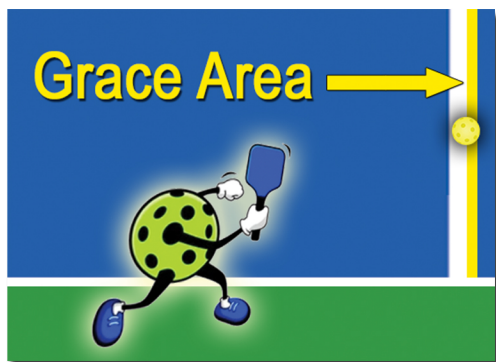

Receiving players often call these serves "Out."

This isn't about dishonesty. These are decent, sincere, upstanding, tax-paying folks who make these errant calls.

Your friends!

Maybe because the ball "feels" so far away!

Give your friends a bit of extra "grace" area.

This also applies to all line calls.

Your best bet:
ask your opponents for the call.
