

# Why Catching A Serve Isn't Fair Play Part 2

You may have noticed seasoned players setting up close to the edge of the court or even off the court, like the nice lady in the pink hat here.

**Now you know why.**

Even over there, nice lady has the obligation to duck if the serve heads toward her.

If it touches her, then it's a fault, serving team gets a point.

RULE 4.B.7 RULE 4.N.2 AND RULE 7.I

**Play fair.**
